Pat, Just a few edits.

1. 2.1, sentence 1: typo
2. 2.2, last sentence: typo
3. 4.4, sentence 1: should be WUS5 not WUS4.
4. 4.4, sentence 3: typo
5. 4.5: This paragraph concludes that WUS1 connects to ground water. This conclusion is premature and has not been substantiated by any of the remedial work completed thus far. Suggest that the sentence be removed.
6. conclusion, last sentence: Please replace with sentence with the following: Should it be necessary, this report, including appendices, can be submitted to the USACE to assist with preliminary or final Jurisdictional Determination.
